Degree (i.e. MD, Msc, PhD, etc.)	B.S. in Business administration	
Country	Republic of Korea (ROK)	
Affiliation	Flitto Inc.	
Educational Background		
Graduated from Daewon Foreign Language High School, French Department, and Korea University with a B.S. in Business Administration.		
Professional Experience		
Simon Lee founded Flitto Inc. in 2012 with the vision of “Creating a World Beyond Language Barriers.” The company began as a crowdsourced translation and AI-powered language service and has since evolved into a global AI language data platform. Under his leadership, Flitto became a global provider of multilingual datasets for AI training and localization, while expanding into real-time language AI solutions. The platform now serves over 14 million users across 173 countries and was listed on KOSDAQ in 2019. His contributions have been recognized with national honors, including a Presidential Commendation (2023) and the Minister of Science and ICT Award (2022). Before founding Flitto, Simon managed M&A and venture investments at SK Telecom and SK Planet (2009–2012). Earlier, while at Korea University, he launched Flyingcane (2007–2008), a crowdsourced translation service that provided the foundation for Flitto’s business model.
