Short Bio (100-150 words)		
<p>Dr. John Henry Pang is a double board-certified plastic and reconstructive surgeon specializing in complex genital, facial, and chest reconstruction, as well as aesthetic surgery and body contouring. A core member of Align Surgical Associates in San Francisco, Dr. Pang is dedicated to advancing gender-affirming surgical care through both clinical innovation and research. His work centers on providing individualized, affirming care for transgender and gender-diverse patients.</p> <p>Dr. Pang holds academic appointments at Stanford University School of Medicine and the Icahn School of Medicine at Mount Sinai, where he contributes to the education of future surgeons and leads research in surgical outcomes and quality of life after gender-affirming procedures. A frequent speaker at national and international conferences, he is a passionate advocate for evidence-based, patient-centered care in gender-affirming surgery.</p>
