Conflict of Interest (if any, please specify, or leave blank if none)		
Short Bio (100-150 words)		
<p>Dr. Manish C Champaneria, MD, FACS, is a board-certified plastic and reconstructive surgeon at Scripps Clinic in San Diego, California. He completed the Integrated Plastic Surgery Residency at Loma Linda University and Reconstructive Microsurgery Fellowship at the University of Washington.</p> <p>Dr. Champaneria specializes in aesthetic and reconstructive procedures, including breast reconstruction, microsurgical reconstruction (perforator flaps and lymphedema), body contouring, complex wound reconstruction, and aesthetic surgery of the face, breast and body. He is most recognized for his work in gender-affirming surgeries, such as top surgery, facial feminization, and body contouring. He is known for his meticulous surgical approach and compassionate patient care.</p> <p>Dr. Champaneria has a strong interest in education, mentorship, and clinical research and has contributed extensively to the scientific literature with myriad articles, book chapters, and presentations. He actively participates in resident education and diversity and equity efforts in plastic surgery and is active in various international and national societies.</p>
