Short Bio		
Dr. Adrian Ooi is a specialist in Plastic, Reconstructive and Aesthetic Surgery. He graduated with distinction from medical school in London, UK, and completed rigorous plastic surgery training at Singapore General Hospital. He then pursued further super-specialized fellowship training in aesthetic surgery at The Wellington Hospital, London, UK, and reconstructive surgery at the University of Chicago, USA. He is a member of elite plastic surgery societies both locally and internationally and has been invited to speak at conferences in Korea, Asia, Europe, and the United States. He has published more than 30 peer-reviewed journal articles and numerous book chapters, and serves on the editorial board of the Aesthetic Plastic Surgery journal. He was the Scientific Chair for the World Society of Reconstructive Microsurgery 2023 meeting, which brought together more than 1,300 plastic surgeons in Singapore. He is also a key opinion leader for various aesthetic medical devices. His focus is on modern and innovative aesthetic and reconstructive approaches in plastic surgery that are tailored to the individual patient, and he has garnered recognition for innovation and quality in the field.
